LR 92, 93
LB 204, 347A, 321

SPEAKER LUEDTKE: The motion fails. We have some other amendments. I think what better be done is we better put LB 204 over until tomorrow morning, as pending on Select File, along with the other amendments so that we can take up the special order after lunch on agency expenditures and appropriations. So we'll turn the afternoon over to the Appropriations Committee to start on their special order. I would also like to announce at this time for your information that Friday of this week is the absolute last legislative day, unless we extend this legislative session beyond 90 days, that any bill can be introduced, number one. Number two, it will undoubtedly be the last day that you can get any bill off of General File and reasonably expect it to pass this session. So you have Wednesday, Thursday and Friday left. Just as a reminder. Now we will take up, just before we close, 347A because there is just an E & R amendment. Just needs to be advanced.

SENATOR CULLAN: Mr. President, members of the Legislature. I move that LB 347A be advanced to E & R for engrossment.

SPEAKER LUEDTKE: Motion to advance LB 347A. Any discussion? Senator Schmit, did you have your light on? Alright. All those in favor of advancing LB 347A to E & R for final engrossment say aye, opposed nay. LB 347A is advanced.

CLERK: Mr. President, LR 92, inserted by the Business and Labor Committee, calling for a study of the concepts of LB 321, will be referred to the Executive Board for action.

SPEAKER LUEDTKE: Anything else, Mr. Clerk?

CLERK: Mr. President, Senator Keyes inserts LR 93, signed by the Education Committee and Revenue Committee. It will also be referred to the Executive Board. That is all Mr. President.

SPEAKER LUEDTKE: Senator Savage.

SENATOR SAVAGE: Motion to recess until 1:30.

SPEAKER LUEDTKE: Motion to recess until 1:30. All those in favor say aye, opposed nay. We are in recess until 1:30.
